

**STOP 1****What will Maya do to catch the apple thief?****A**

**Stay up all night and watch Old Rosie from her bedroom window.**

**B**

**Put new batteries in Grandpa's trail camera and point it at Old Rosie.**

**C**

**Leave Pepper outside to guard the tree and bark at the thief.**

**D**

**Go next door and question Mrs. Lindqvist.**

**Write your prediction and your clue on your log. Then go to your corner.**

## STOP 2

# Who is the apple thief?

**A**

**A hungry bear.**

**B**

**Mrs. Lindqvist.**

**C**

**Ruby.**

**D**

**Sam.**

**Write your prediction and your clue on your log. Then go to your corner.**

**STOP 3****Why has Sam been taking the apples?****A**

**To bake pies for the Junior Baker Pie Contest.**

**B**

**To help Mrs. Lindqvist win the Adult Pie Contest.**

**C**

**To sell them at the "FRESH APPLES, 50 CENTS" stand.**

**D**

**Because Grandpa asked him to pick them.**

**Write your prediction and your clue on your log. Then go to your corner.**

**STOP 4****What will Grandpa do?****A**

**Make Sam work in the orchard to pay back the apples.**

**B**

**Give up on the Harvest Fair, because there are no Old Rosie apples left.**

**C**

**Teach Sam the family pie recipe.**

**D**

**Tell Sam to stay away from Old Rosie and bake his own pie alone.**

**Write your prediction and your clue on your log. Then go to your corner.**
